To Whom It May Concern:

This letter is my personal recommendation for Igor Markovic. I was Igor's direct supervisor and I find him to be consistently pleasant, tackling all assignments with dedication and a smile. His interpersonal skills are exemplary and appreciated by everyone who works with him.

Besides being a joy to work with, Igor is a take-charge person who is able to present creative ideas and communicate the benefits. He has successfully integrated perfectly into a multimillion dollar sales team, and continues to assist in building our brand on a daily basis.

Though Igor was an asset to our operational efforts, he was also been extraordinarily helpful in other areas of the company. In addition to his own positive attitude Igor helped motivate the staff to be more of a team than ever.

I highly recommend Igor for any opportunity he pursues. He is a team player and would make a great asset to any organization.

Sincerely,

Erin McKenna-Dunham

General Manager
